■ Brent Eades from NoWet Caboolture with his Motor Vehicle Services Award.

NoWet awarded

BRENT Eades is hoping his success in last week's *Caboolture Shire Herald* Business Achiever Awards is a sign of things to come.

Having run his business, NoWet Caboolture, for less than a year, Mr Eades claimed the Motor Vehicles

Services award at the Friday night celebration, before a sea of 350 local business representatives.

Mr Eades attributed his success to his "awesome" customer service.

"I hope from here to just keep building and eventu-

ally expand to include more staff and another van," he said.

NoWet Caboolture offers waterless car washing and detailing services, at your workplace or home.
